|---|--|--|--|--|
| Product and Company Identification            |  |  |  |  |
| Product No.:                                  | MC009  |  |  |  |
| Product Name:                                 | Mycological Peptone  |  |  |  |
| Manufacturer:                                 | LAB M LimitedT:Topley HouseF:52 Wash LaneE:BuryWLancashire, BL9 6AUUnited Kingdom  | +44 (0) 161 797 5729<br>+44 (0) 161 762 9322<br><u>labm@idgplc.com</u><br>www.idgplc.com |  |  |
| 2. Composition and Information on Ingredients |  |  |  |  |
| Common name:                                  | Mycological Peptone  |  |  |  |
| CAS No.:                                      | Not applicable   |  |  |  |
| Hazardous ingredients:                        | Culture media component. This product does not contain substances presenting a health hazard as defined by directive 67/548/EEC. |  |  |  |
| 3. Hazard Identification                      |  |  |  |  |
| Most important hazard:                        | Not classified as hazardous.   |  |  |  |
| Health hazard > Inhalation:                   | Moderately irritating to the respiratory system.   |  |  |  |
| Health hazard > Skin:                         | May cause irritation.  |  |  |  |
| Health hazard > Eyes:                         | May cause slight transient irritation.   |  |  |  |
| Health hazard > Ingestion:                    | May cause irritation.  |  |  |  |
| 4. First Aid Measures                         |  |  |  |  |
| After inhalation:                             | Remove to fresh air; if breathing becomes difficult seek medical advice.   |  |  |  |
| After skin contact:                           | Wash off with copious amounts of water.  |  |  |  |
| After eye contact:                            | Flush with copious amounts of water; if irritation persists seek medical advice.   |  |  |  |
| After ingestion:                              | Make victim drink plenty of water to dilute stomach contents; seek medical advice.   |  |  |  |
| 5. Fire Fighting Measures                     |  |  |  |  |
| Extinguishing media, suitable :               | Water spray, Carbon dioxide, dry chemical powder or foam.  |  |  |  |

| Safety Data Sheet                            | MC009 Mycological Peptone  | Issue: 11/Jan/2005         |  |  |
|--|--|----------------------------|--|--|
| 6. Accidental Release Measures               |  |                            |  |  |
| Personal precautions:                        | Wear disposable gloves, eye protection, dust mask and protective clothing.   |                            |  |  |
| Spill:                                       | Sweep or vacuum material and place in a desi<br>Ventilate and use a water rinse to clean the sp<br>pickup is complete.                         |                            |  |  |
| 7. Handling and Storage                      |  |                            |  |  |
| Handling:                                    | Avoid contact with eyes, skin and clothing. P  | revent inhalation of dust. |  |  |
| Storage:                                     | Keep container tightly closed. Store in a well $30^{0}$ C.   | ventilated area at 10 to   |  |  |
| 8. Exposure Controls and Personal Protection |  |                            |  |  |
| Engineering controls:                        | Engineering methods to prevent control or ex<br>preferred. Methods include process or person<br>ventilation, and control of process conditions | nel enclosure, mechanical  |  |  |
| Protective measures > Hands:                 | Protective disposable gloves.  |                            |  |  |
| Protective measures > Eyes:                  | Chemical safety glasses or goggles.  |                            |  |  |
| Protective measures > Body:                  | Laboratory coat.   |                            |  |  |
| Protective measures > Inhalation:            | Dust mask.   |                            |  |  |
| 9. Physical and Chemical I                   | Properties   |                            |  |  |
| Physical form:                               | Powder.  |                            |  |  |
| Colour:                                      | Straw.   |                            |  |  |
| pH:  | Not applicable   |                            |  |  |
| 10. Stability and Reactivity                 |  |                            |  |  |
| Stability:                                   | Stable under recommended storage and handl<br>part 7 of this MSDS). Hygroscopic.   | ling conditions (refer to  |  |  |
| Reactivity:                                  | Avoid strong oxidising agents.   |                            |  |  |
| 11. Toxicological Information                |  |                            |  |  |
| Acute toxicity:                              | Quantitative data on the toxicity of this produ  | act is not available.      |  |  |
| Eye irritation:                              | May cause irritation.  |                            |  |  |
| Skin irritation:                             | May cause irritation.  |                            |  |  |
